## SCHOOL REGISTER

Name of School Borden  
Located at \_\_\_\_\_  
in Jackson County, Mississippi  
Taught by Annie Polk

This Register is public property, and must be returned to County  
Superintendent at the close of school term.

The first four pages of the register are for the enumeration of the educable children of the school district. This record is to be made by the principal of the school and must contain the names of all children in the district from five to twenty-one years whether in school or not. This list should be made about the third week, with the assistance of the trustees or the older pupils who are well acquainted with the different parts of the district and it must be copied on the loose enumeration sheet and sent in with the first month's report. Insert ages of children and names of parents.

In making up the different rolls in the register, write boys' names on one page and girls' names on opposite page.

On the fifth page begins the daily attendance record. Mark a day's absence with X; half day's absence or less with / (half X). Make a mark for presence. At the end of the month, add each pupil's days present and absent horizontally and insert in respective columns at extreme right. Add these extreme columns and at the foot of the days present divide total by 20 for the average and show fractions in decimals of tenths and hundredths. Then copy these figures and names on teachers' monthly report blank.

The last four pages are for the term roll. It must contain the names of all the pupils who enter during the year. Keep this record up to date each month from the right-hand totals on the daily record pages. The printed term report blank at the side of the page must be filled completely at the end of the session.

At the beginning of the session you will receive last year's records of the pupils. Check each pupil to see if he is properly classified. Do not promote any pupil on trial. If pupils wish to enter from other schools without records, they will have to be examined.

The old records will be returned to the superintendent's office with the first month's reports.

The weekly tests system will not be used. At the tops of the columns on pupils' reports, write 1st.mo., 2nd.mo., etc.

Notify the superintendent of violations of compulsory law.

Teachers will co-operate with truck drivers in preserving proper conduct on trucks and causing children to observe every precaution for their safety.

IN ALL SCHOOLS ALL PUPILS MUST READ, WRITE, SPELL, AND FIGURE EVERY DAY. Other subjects may be alternated at the discretion of the teacher and the superintendent.

MAC MORGAN,  
Spt.
